

### **The Vision of DASH**

The Vision of Design and Architecture Senior High School is to educate talented students to become confident and innovative thinkers through interdisciplinary challenges in the visual arts in preparation for college and a career in the design world.

### **The Mission of DASH**

The Mission of Design and Architecture Senior High School is to provide a high level, integrated education in design and academics, and to use both traditional faculty and career professionals to facilitate learning within a well-designed, state of the art learning environment.

### **La Visión de DASH**

La visión de la Escuela Secundaria de Diseño y Arquitectura es enseñar a estudiantes talentosos a ser creativos y seguros de sí mismo presentándoles retos interdisciplinarios en artes visuales, preparándolos para estudios universitarios y carreras en el mundo del diseño.

### **La Misión de DASH**

La misión de la Escuela Secundaria de Diseño y Arquitectura es proveer un alto nivel de educación integrando cursos académicos y cursos de diseño, a través de una facultad compuesta de profesores y profesionales de la industria de diseño, para ofrecer a los estudiantes una enseñanza en un ambiente propio y adecuado.

### **Objektif DASH**

Design and Architecture Senior High School gen kòm objektif pou fè fòmasyon elèv ki gen talan defason ke yo ka vinn gen konfians nan tèt yo, etou ke yo ka vin panse nan yon jan ki modèn e kreatif. Se pou tèt sa ke, lè yon etidyan ap prepare pou kolèj ou pou yon karyè nan domèn desen, *Design and Architecture Senior High School* etabli aktivite refleksyon ki djiam nan pliziè disiplin ki rantr nan kad matiyè atistik.

### **Misyon DASH**

Misyon Design and Architecture Senior High School se pou bay yon nivo edikasyon ki elve e ki entegre nan domèn desen e nan tout aktivite eskolè yo. Pou fè sa-a, Design and Architecture Senior High School ap itilize pwofesyonèl ki travay lontan nan fakilte tradisyonel yo, pou ka fasilite aprantisaj nan yon anviwonman eskolè ki byen monte et ki ofri nouvel teknik yo tou.
